

We have a vital ministry at New Hope Camp & Conference Center and are asking for your help in continuing our ministry in the community.

We are all living through unprecedented times. Every day of the shutdown has a financial impact. We

anticipate a loss or revenue of over \$40,000. As a non-profit with small financial margins to begin with, if the shutdown continues, we are not in a financial position to withstand these revenue losses.

Our revenue is used to pay our employees, keep up with our utilities, and maintain our buildings. In order to get through this tough time staff have been furloughed or encountered severely reduced hours. We have rapidly reduced expenses as much as possible. We are still planning for an amazing camp season and want to ensure that all campers enjoy a summer of carefree fun after the last several months of uncertainty. There is nothing that compares to the power of a summer camp and how it impacts the children who we are blessed to have join us on this journey.

For many of our campers, life and all the wonderful and joyful experiences out here, start at summer camp. When they return home after a summer camp season, camp never leaves them. They have acquired new friends, more confidence, and are spiritually more connected to those around them.

We need your help now to survive this tough time. We realize that everyone has financial uncertainties but any amount that you can donate would be truly appreciated.

- * Your donation will provide wages to the camp staff, our cleaning staff, and our grounds staff who help make New Hope Camp a special and important place for all children to enjoy.
- * Your donation will ensure that we can continue to provide a high quality program and offer a summer that all children deserve.

You can donate online at:
